ADDITIONAL FEDERAL GUIDELINES

The grantee is required to adhere to the following federal guidelines:

The National Environmental Policy Act of 1969 declares a national policy which will encourage productive and enjoyable harmony between man and his environment; to promote efforts which will prevent or eliminate damage to the environment and biosphere and stimulate the health and welfare of man; to enrich the understanding of the ecological systems and natural resources important to the Nation; and to establish a Council on Environmental Quality.

Title IV of the Civil Rights Act of 1964 provides that: No person in the Unites States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance (Section 601).

Title IX of the Education Amendments of 1972 provides that: No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any educational program or activity receiving Federal financial assistance.

The Age Discrimination Act of 1975 provides that: No person in the United States shall, on the grounds of age, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance.
